MALABIMBA

THE MALICIOUS WHORE

BY GIUSEPPE GIANCARLO ENZO FISICHELLA

With a name like *Malabimba*, it's gotta be good! The flesh-classic *Malabimba: The Malicious Whore* (1971) is at long last on DVD thanks to Severin films! The whore in question, Katell Laennec (below), plays teenage Bimba, who drags her entire family down to her lusty level. Some begin to suspect Bimba is possessed by the devil, but to us she's simply devilishly sexy. Laennec, with full-frontal assistance from busty blonde Patrizia Webley (opposite page), redefines the word *bimbo!*

Hideout in the Sun

By Soignée Starkers

In the 1960s classic *Hideout in the Sun*, two brothers rob a bank and take a young girl (Delores Carlos) hostage. Once they find out that Delores is a nudist, they force her to take them to a nudist colony so they can hide until the police heat blows over. Unfortunately they don't make plots like that anymore. Luckily the director—schlock-sex maestro Doris Wishman—makes sure all the *skinsational* nudie nubilees hide in plain sight!

Getting It Right With WRONG TURN 2

By Ramsey Steele

THERE'S NO DENYING that 20th Century Fox has been doing a bang-up job with their DVD Premiere horror series that revolves around mutants—witness the success of such efforts as *The Hills Have Eyes* and *The Texas Chainsaw Massacre* franchises, both of which were based on proven theatrical hits. That said, it shouldn't be a surprise that the studio decided to move forward on a possible franchise based upon their grisly 2003 shocker, *Wrong Turn*. Concerning a group of six people who find themselves hunted in the West Virginia wilderness by a cannibalistic horde of Inbred mountain men, *Wrong Turn* featured such nubile lovelies as Eliza Dushku, Emmanuelle Chriqui and Lindy Booth, not to mention such schmucks as Kevin Zegers and Jeremy Sisto. Upon its theatrical release, the film pulled in \$16 million at the domestic box office and went on to do some killer business on DVD and in the international market.

Last month, Fox released *Wrong Turn 2: Dead End*, a DVD premiere that deals with those same West Virginia woods and its oh-so-hungry inhabitants. This time around, the pretense for

SURVIVOR MEETS DELIVERANCE MEETS AMERICA'S NEXT TOP MODEL: THE BABES OF WRONG TURN 2

getting the cast of pretty young things into the woods has to do with a *Survivor*-like reality show hosted and produced by none other than Henry Rollins. As Murphy, he leads a group of a half-dozen contestants (including such nubile nookie-nymphettes as Erica Leerhsen, Aleksa Palladino, Daniella Alonso and Crystal Lowe) into the woods to see who will survive a simulated post-apocalyptic wasteland (Wow. We wonder what West Virginians think of that!). The winner walks home with a cool \$100,000. The thing is that nobody predicted that they

would be set upon by the original *Wrong Turn*'s extended family of hideously deformed Inbred cannibals, whose mission statement includes killing off the trespassing teens!

Celebrity Skin caught an early screening of *Wrong Turn 2* and spoke with its director, Joe Lynch, about how he came to helm this frightfully fun, gore-filled excursion and what kinds of ingredients he feels are necessary to cook up a tasty direct-to-disc horror flick in today's competitive environment.

Lynch directed the music video for

the Canadian progressive metal outfit Strapping Young Lad a few years back, wherein he created an environment not unlike Sam Raimi's breakthrough horror opus, *The Evil Dead*. He plopped the band down into that milieu and let them do their thing surrounded by a zombified blood-and-guts atmosphere. The vid clip got its share of play and some execs at Fox obviously liked what they saw, because when the time came to find a director for the second installment in what the studio hopes will be a *Wrong Turn* franchise, they requested to see Lynch's reel.

"A contact told me it was a long shot, but it'll be your foot in the door," Lynch told us. "Fuck the foot in the door," I thought. "I want to blast that door open!"

And with this introduction, 31-year-old Joe Lynch was hired to direct *Wrong Turn 2*. Who says that the long shot doesn't come up a winner every now and then?

The first thing Lynch did upon getting the gig was take home the *Wrong Turn 2* screenplay and sift through it to see what he had to work with. Within a couple of weeks,

he came up with a 12-page bible on how he wanted the film to look and feel.

"I was like a kid in a candy store with the possibilities—I just kept asking myself, 'How do I want to see this movie?' After seeing a film, any horror fan worth a grain of salt decides whether he likes it or not and how he can do it better!"

Happily, Lynch honors the genre of his directorial debut by including an element that is an absolutely essential piece for the proceedings.

"An Eighties-style splatter movie wouldn't be complete without some mammaries," says Lynch. "It's part of the equation—when you're making a horror film, you've got to have some nudity. Ever since *Halloween*, 'sex = death' has been part of the horror equation."

Making the equation work for

Lynch (and us!) is lovely Crystal Lowe, who co-stars as Elena, a hot and horny contestant who's only too happy to take off her top, sunbathe—and go down on the nerdy director in order to secure a career and a check for a hundred grand. Lowe, a *Celebrity Skin* sexpot who previously disrobed in such horror outings as *Final Destination 3* (2009), *Black Christmas* (2006) and *Children of the Corn: Revelation* (2001), as well as the cable TV terror series *Masters of Horror*, looks like she's having quite a time as she removes her wayward garments.

"Thankfully, we had Crystal Lowe—she never complained and was a total pro," says Lynch. "There's a little bit of sex, a little bit of nudity, and a little bit of mutant sex, in addition to all the gore."

\$ THE \$EXPLORITERS

By Minnie Moskowitz

We at *SKIN* like to pay tribute to prurient pioneers of early flesh flicks. One such man is Al Ruben, director of *The \$exploiters* (1965, spread), which is a grindhouse classic about a modeling agency—with no moral agency! Al Ruben is better known as cinematographer for the classic John Cassavetes films, including *Faces* (1968) and *The Killing of a Chinese Bookie* (1976), and it's clear from this—his only directorial effort, now on DVD from Retro Seduction Cinema—that his stark lighting techniques began with stark-naked models!

FRESH FLESH

No issue packed to capacity with curvaceous Bra Busters would be complete without some Fresh Flesh! From cock-stirring classics to nudie newcomers, we have all the barest babes with the most bangin' bods!

ASHLEY JUDD

BORN: April 19, 1968, Granada Hills, CA

SEXY SIGHTINGS: This *cunt*-ry gal with the heart-shaped face, plump ass and rosebud tittles is an eighth-generation Kentuckian—and *finger-fuckin' good!* Maybe not so much so in *Bug* (2006, this page, top right and bottom, and opposite, top), but as lonely waitress Agnes, Ash will still get your boner buggin' out of your fly during her so-raw-you-have-to-see-to-believe nude scenes. This creepy-crawly lick-flick fucks with *both* of your heads as Ashley's waitress meets a wacked-out Gulf War vet...and unwittingly becomes the "queen *bee-cup*" for some booty-lovin' "bugs" that want to eat her out—*literally!*

ASHLEY'S ASS-ETS: Judd's joyfully juggy and beautifully blond and bare in *Normal Life* (1996, this page, middle) and *Norma Jean & Marilyn* (1996, above), as two naughty nudies (one of them, young Marilyn Monroe) who show ass for cash!

CAMERON RICHARDSON

BORN: September 11, 1979, Baton Rouge, LA

SEXY SIGHTINGS: You'll feel something thick, hot, veiny and meaty (in this case, consider it your *Cam-rod*) rise between your thighs once you've settled in for the night with *Rise* (2007, spread), an ultra-sexy after-dark flick about the undead (and so often undressed!) that showcases some prime pussy. The fright flick stars Lucy Liu as a reporter who wakes up—in a morgue—and vows revenge against the vampire sect that put her there. But once you catch an eyeful of Cajun-cooze sensation Cameron playing Collette, you'll flend for goeey *girly-gumbo*—and pray this undead redhead gives *super-head!*

WE-WANT-OUR-DICKS-IN RICHARDSON: With Marilyn Manson playing a bartender and *cum-ly* Cammie running around in a thong and super-sexy garters, *Rise* gives you all the gore, horror, snatch and gash that your *one-eyed* guy can handle!

HELENA MATTSSON

BORN: March 30, 1985, Stockholm, Sweden

SEXY SIGHTINGS: She was the Swedish cheesecake of Silverlake, the hip L.A. neighborhood featured in *Sex, Love & Secrets* (2005, above), where she played one of many hot 'n' horny twentysomethings who had sex, loved having more sex, and therefore had lots of secrets (lies and videotape optional, apparently). Though only 4 episodes aired before the show got axed, Helena still made good use of her screen time, going from prim 'n' proper pro in business attire to lingerie, lots of leg and lusty fire with co-star Eric Balfour. Don't cum for this *sexual smorgasbord* without your sweaty *Swedish meatballs!*

HELENA IN HEAT: In 2007's *Species: The Awakening* (opposite, bottom, and this page, spread) Helena, as amorous alien Miranda, really needs a fuckbuddy. Fortunately, she comes with plenty of *galactic girly-goo* for interspecies intercourse!

JULIETTE MARQUIS

BORN: April 16, 1980, Ukraine

SEXY SIGHTINGS: You may feel a sudden *sack-surge*...followed by an undeniable *urge to merge* watching Juliette in *The Insurgents* (2006, above) playing Hana, a hottie-handful of foxy, resilient and self-sufficient ex-prostitute. Her post-9/11 passions with several men from varying walks of life lead her to become a co-conspirator building a truck bomb with the intent of detonating it on U.S. soil. Homegrown terrorism never looked so good—and never will again! *This Girl's Life* (2003, below and opposite page, spread) is the movie to rent if you and your schlong wanna have a little "Marquis Pocket-Pool Spree!" Starring opposite veteran character actor James Woods, Juliette plays Moon, an international porn celebrity (at only 23!) who lets webcams follow her 24/7 moist-making moves in a "slice-of-life"-style film about how porn is bed-borne.

MARQUIS DE SEX: As Moon in *This Girl's Life*, Roger Ebert says Juliette gives "the first performance of an actress who is going to be a big star." She's stunning, endlessly erotic, and talks straight to the cam while making men cum in *many* ways!

DIANE KRUGER

BORN: July 15, 1976, Algermissen, Lower Saxony, Germany

SEXY SIGHTINGS: She gained 15 pump-worthy pounds to play Helen, the goddess-like beauty whose face launches a thousand ships in *Troy* (2004, spread). Director Wolfgang Petersen wanted her to appear "rounder"—and worthy of a pearl necklace from the Sea of Propontus! This former ballerina and model "let herself go" and packed on fleshy fuck-meat to give us the Brad Pitt-worthy, rose-tipped, golden-globe tits seen above, and the plump ass laid out for *your Trojan warrior* below! This "Troy-joy" is the perfect boy-toy! Get more Diane-pleasure in 2007's upcoming *National Treasure: Book of Secrets*, where Ms. Kruger reprises her role as the pursuit-worthy Abigail Chase...the *Chase* that launched a thousand *stiffs*!

CRYSTAL LOWE

BORN: January 20, 1981, Vancouver, British Columbia, Canada

SEXY SIGHTINGS: As Elena in *Wrong Turn 2: Dead End* (2007, spread) you'll be rooting for Crystal's supple rear end! Lowe also shows off her "lungs" as one of a group of hot, scantily clad and totally uninhibited "reality show contestants" who find themselves fighting tooth and nail to save their sex-charged victim-skin from the teeth *and* nails of some hideously deformed, inbred hillbillies who really, *really* like to "eat out!" The cast is easy pickins for the *Deliverance* descendants, as Elena declares, pre-massacre: "Whatever.... I'm just going to stay here and tan." This movie is an intellectual grab-bag/puzzle unto itself, seeing as it also stars Henry Rollins—who dies when he can't bring himself to raise a *white* flag.

MÉLANIE LAURENT

BORN: February 21, 1983, Paris, France

SEXY SIGHTINGS: When you see Mélanie as Louise in *The Last Day* (2004, spread), you'll pay tribute to her with the first of many copious *schlong sprays*! Playing the kind of Parisienne nymphette that any dude would die to meet on a train (maybe so he could *pull a train!*), Mélanie (as Louise) meets Simon, he gets her juices flowing and—*volla!* She winds up going home with him for the holidays. Intrigue and sex secrets abound as this perky-nippled pastry “keeps it in the family!” Seen here getting her lovely lady-look on, Mélanie in white, cotton little-girl panties makes for big, stiff *boxer-bulges*!

PUMP A TORRENT FOR LAURENT: Mademoiselle Laurent illustrates the essence of the French woman's allure: She gets naked very easily and frequently; she's all-natural, she's got a furry pussy—and she *definitely* knows how to French-kiss!

BRA BUSTERS

Forget those waifs with the mosquito-bite titties! These honeys are stacked with the hugest, softest and most suckable-looking double-Ds in history! If you're a breast man, these *boob-babes* are your *prick-picks*!

Diora Baird

BORN: April 6, 1983, Miami, FL

SEXY SIGHTINGS: Weighing in, chest-wise, with deliciously jiggly and drool-worthy 32DDs, Diora's double-dumplings make her a sight for *size-wise* guys! This former model put her gorgeous gazongas into *Guess?* when she posed for their sex-friendly clothing line. As an actress, her ample endowments leave no guessing whatsoever as to whether or not she's a succulent success! Appearing in a recent episode of *Shark* (this page, top), busty Baird no doubt gave star James Woods *wood* the minute she appeared on set in this "Emerald Titties"-themed bikini—which also makes woodsmen of us all!

MORE DIORA TO ADORE-A: Two dudes on a perpetual poontang hunt find Diora, as vixen Vivian, in *Wedding Crashers* (2005, opposite, bottom, and this page). With *bedding-mashers* this large 'n' natural, you'll say, "I boob!" before "I do!"

Salma Hayek

BORN: September 2, 1966, Coatzacoalcos, Veracruz, Mexico

SEXY SIGHTINGS: Salma is executive producer of (and plays Sofia Reyes on) *Ugly Betty* (this page), but we think sex-personified Salma deserves her own show: *Jugly Titties!* The passionate owner of one helluva pair of packed, plump *piñatas*, Salma's 36Cs make us wanna get down on our knees—even though she's titty-tough enough to declare, "I keep waiting to meet a man who has more balls than I do!" Her not-so-skinny skinny-dip in *Ask the Dust* (2006, opposite top) is the must-see *mamm-moment* in the fiercely erotic 1930s sex saga in which she plays the carnal muse/waitress, Camilla.

SUCKABLY SALMA: She had us reachin' for our *prick-paintbrushes* as Frida Kahlo in *Frida* (2002, middle panel), the biopic of Mexico's artist icon. Kevin Smith got lucky with her satiny *suck-sacks*, casting her as Serendipity in *Dogma* (1999, above).

Scarlett Johansson

BORN: November 22, 1984, NY, NY

SEXY SIGHTINGS: You'll scoop up your *guy-goop* watching Miss Scarlett in Woody Allen's *Scoop* (2006, this page top right, and below)! Known as Woody's latest muse, Scarlett brings a whole new allure to simple, red, one-piece bathing suits playing Sondra Pransky, an American journalism student living in London who begins a complicated affair with an aristocrat/possible-Tarot-card-serial-killer. When he compliments her swimsuit, she says, "Oh, I'm glad you liked it! It was marked down!" If that's not a Woody muse for ya! She has great chemistry with The Woodman, and *wood-making* powers!

GIRL FOR A PEARL NECKLACE: In *A Love Song for Bobby Long* (2004, top), Scarlett is Pursy, who brings her *Cafun-cooze* back down to *The Big Easy* to mourn her mom. *Match Point* (2005, above) her first Woody pic, turns her femme fatale.

Anne Hathaway

BORN: November 12, 1982, Brooklyn, NY

SEXY SIGHTINGS: In the "Homo-on-the-Range" epic *Brokeback Mountain* (2005, this page), Anne played lurid Lureen, who was the walking poster girl for heterosexuality. But she was lacking one small thing to get the man she wanted: a penis. If only Anne had starred in *The Devil Wears Prada* earlier, she might have spotted the hopelessness of her devotion.

FACT: Anne is every bit as funny as she is alluring, which is part of why she was cast as 99—the female agent who balances comedy and sex appeal—in the upcoming *Get Smart* movie. If you want a big-screen boner, get smart and see it!

FELLA ENCHANTED: In Hollywood, any guy would have a hard time getting close to Anne's charms, but her character, Allison, was super loco for the opposite sex in *Havoc* (2005, this page), as every Papi Chulo in the film can attest to.

Mary Carey

BORN: June 15, 1980, Cleveland, OH

SEXY SIGHTINGS: She grew up (and out!) in a troubled family, but this bouncy, juggy, blond, all-American, party-girl nymphette took the world by storm—in a very *well-stacked* way! From stripping to working in XXX, you could've guessed where she'd end up (perhaps with her round, plump *end* up!), but this motivated minx with the mega-melons ran for governor of California! With her ballsy campaign slogan: "Finally, a politician you *want* to be screwed by!" Mary won votes. But even her titanic tits couldn't beat "The Ah-nuld." For more Mary, check out myspace.com/realmarycarey—it's all her!

CANS-DIDATE CAREY: *Pervert!* (2005, spread) is "an unabashed and unapologetic homage to the bosomy romps of a bygone era," says *Film Threat*. Geeks get laid by sexpots, hexes are cast...Russ Meyer's skeleton has a *boner* for Mary's mamms!

Indira Varma

BORN: 1973, Bath, Somerset, England, UK

SEXY SIGHTINGS: Her breasts sag softly against her cinnamon-colored skin and her pussy mound no doubt proudly sports the hairiest bush you've seen since you last whacked off to some vintage porn from 1978! But to our way of *sink-the-pink* thinking, these very real, natural, primal and sexual qualities only add to Indira's endearingly individual and exotic-erotic allure. Indeed, who better to star in *Kama Sutra: A Tale of Love* (1996, this page, and opposite, top half) than this Indian/Swiss miss? As Maya, a lowly maidservant-cum-concubine who beds a prince, she boasts, "Exhilaration is my department."

VARMA SUTRA: Banned in India for its highly erotic content, one look at Indra's big, black bush in *Kama Sutra* would enrage (or engorge?) censors! As Niobe in HBO's *Rome* (above), her plug-like nips are drool-worthy pinnacles of *perky*-fection!

Aria Giovanni

BORN: November 3, 1977, Los Angeles, CA

SEXY SIGHTINGS: Aria started out as an amateur internet model, she was married for all of 5 weeks at 21, her favorite song is "Imagine" by John Lennon, she enjoys nude beaches and, oh, yeah—she packs some thoroughly luscious, big, soft, suckable 34Ds! *Starz* (2003, spread) is an erotic video voyage featuring not only amorous Aria, but many other mega-curvy "Girls of MacDaddy" who, just like Aria, love to be naked, love to touch themselves in all the most orgasmic ways, and don't mind showing every inch of their sin-skin...while you strum/stroke an aria of adoration on your *man-dollin*!

ARI-OLA GIOVANNI: Seen most recently in *Alabama Jones and the Bust Crusade* (2005) and *Chloroformed Pin-Up Girls!* (2004), Aria's clearly *cum*-fortable with being your favorite fetish fuck-fantasy. This big-titty brunette's all heart (and *boobs*)!

Erica Campbell

BORN: May 12, 1981, Deerfield, NH

SEXY SIGHTINGS: Her name's Erica Rose Campbell...which instantly makes visions of her big, *rosy-red* areolas pop into our heads—as our *other* heads pop straight up in the air! This all-natural all-American hails from New England, but cutie-nutie Erica's no Puritan when it comes to sharing the wealth of her *well-slung health!* Long lusted after as a bondage and foot-fetish model, Campbell shines in *Starz* (2003, this page), during which your hands will feel a gravitational pull toward Erica's soft, meteor-worthy chest-orbs. This generously endowed "Girl of MacDaddy" is super-sized in all the right places!

TWO CANS OF CAMPBELL'S: "Mmm, mmm, good!" is what you'll be moaning while stroking your skin-covered poon-spoon and ogling plump, pretty Erica in *Ignite* (2002, this page). Her huge tits and big ass ignite any man's hidden, horny id!

Kim Kardashian

BORN: October 21, 1980, Los Angeles, CA

SEXY SIGHTINGS: Copiously curved Kim is popping up—and out—all over TV these days, thanks in no small part to her reality show *Keeping Up with the Kardashians*. In the slice-of-socialite-life series, Kim is seen with her siblings, half-siblings, stepsiblings, mom Kris and stepdad—former Olympic decathlete medalist Bruce Jenner. The *javelin*-inducing Kim could medal herself in the art of seduction, as her sex tape, men's mag centerfold and badonkadonk-emphasizing dresses get men high and leave no stoner unturned-on! Catch her in the comedy *Down in the Valley* (2008), showcasing her hilly assets.

Katherine Heigl

BORN: November 24, 1978, Washington, D.C.

SEXY SIGHTINGS: Kate's anatomy is one of the big draws of her hit smug-conversation-after-melodramatic-conversation series, *Grey's Anatomy* (above). Though the guys on the show get all the "McNicknames," we dub curvy Katie, who plays Dr. Isobel "Izzie" Stevens, *Dr. McBusty!* Seen below in *Side Effects* (2005), we prescribe Astroglide for watching Kate undress to de-stress as Karly Hert, a drug dealer (for the pharmaceutical industry!) who's lookin' for love on all the wrong faces! If you're horny for more Heigl, catch her *cuppable-cakes* in the upcoming *27 Dresses*—hopefully, not wearing one!

Eva Green

BORN: July 5, 1980, Paris, France

SEXY SIGHTINGS: Eva's so elegantly erotic, we're keen to learn that she has a twin sister! They're not *identical* twins, but what red-blooded male would mind *doubling the pink-nippled pleasure*? Described by famed director Bernardo Bertolucci as being "so beautiful it's indecent," he went on to cast Eva as his female lead in *The Dreamers* (2003, spread). As Isabelle, Eva conveys the dreamy idealism that juxtaposed the violent student riots of Paris in 1968. She seduces a young American stud who lives with her and her equally uninhibited brother, Theo, of whom she says, "He's always inside of me." Ah, Paris!

EVA WILL PLEASE YA: A dreamy, steamy movie about sex, cinema—and even incest, Eva and her male *cum*-panions act out surreal scenes from art and film. Posing as the Venus de Milo, Eva succumbs and says, “I can’t stop you, I’ve got no arms.”

Marta Nieto

BORN: 1982, Murcia, Spain

SEXY SIGHTINGS: She plays luscious Lola in *Face of Terror* (2003, spread), but she's so fleshy, foxy and fuckable, we think of her more as the "Face That Makes You Wanna Tear Her Clothes Off!" As Nick Harper, a tormented police officer searching for his missing sister in Barcelona, Spain, star Rick Schroder takes the silver spoon out of his mouth long enough to angrily declare, "I go where the fight takes me!" Fortunately for him, "the fight" takes him straight to a luscious piece of curvy, Castilian cooze...otherwise known as Marta (as Lola)! This Spanish sexbomb is the Ava Gardner of our *titty-times*!

T&A=TNT: Rick Schroder gets more than he bargained for when he winds up uncovering a terrorist cell that plans on turning hot babes into human bombs! Above, Marta bathes her big, bouncy boobs before becoming—literally—a *busty bombshell!*

Kelly Brook

BORN: November 23, 1979, Rochester, Kent, England, UK

SEXY SIGHTINGS: This statuesque strumpet from across the pond is paradise-poon for the taking in *Survival Island* (2005, spread), playing juggy Jennifer, one of 3 people (Jennifer, her millionaire husband Jack and their swarthy servant, Manuel) who wash up shipwrecked on a deserted isle after Jack's yacht sinks 50 fathoms. The sexual threesome-tension rises to the boiling point as—wouldn't you know it?—Jennifer's got moist bikini bottoms for Manuel...only her pesky husband is still alive, damn him! It's better—and *much* hotter than Madonna's crapfest, *Swept Away*; Kelly's tanned cans make it so!

KELLY CUMS IN THE SUN: Ogling ultra-curvey Kelly running around in (and out!) of a bikini is any dude's preferred way to waste an hour and change, so this frothy flick is tooled for your *tool!* Voodoo & vajayjay make for the perfect *velny va-cay!*

Angel Lewis

SEXY SIGHTINGS: Angel's *mamma-licious mulatto-magic* in *American Pie Presents: The Naked Mile* (2006, spread) will make your *Stifler* a mile long! Via the rote juvenile formula of tits, beer, fart jokes and gross-out sex, the film finds lovable schmuck Erik Stifler getting "a free pass" from his girly to go man-boy wild for one weekend. Frat-style shenanigans ensue as Erik and his buds head to see his cousin Dwight for the infamous "Naked Mile," with game, gazonga-blessed girls like Angel (as Alexis) leading Dwight to *dick-clare*, "I'm adrift in a sea of boobies and my balls are scraping on the pavement!" People take craps in clothes dryers and still, *big-lungs* Lewis brings the lust that'll make you spill *buckets of cock-corn!*

SWEET PEACHES

As all our loyal readers know, the women of Peach DVD are the hottest ladies in the skin biz right now. We are proud to present a tribute to these juicy, bountiful babes who we admiringly call our *Sweet Peaches!*

Karlie Montana

SEXY SIGHTINGS: For those of you who desire an alabaster goddess with petite peaches and legs for days, we present the terminally cute Karlie. She's one of the sweetest peaches on *Wet 3* (2006, spread), where foxy Karlie flaunts her frisky flesh in a fountain. For those who adore the seductively slight frame of a Megan Fox and the saucy spitfire of a young Marisa Tomei, Karlie is exactly what the pervert ordered! After seeing Ms. Montana sans clothes, it's easy to see why she's starred in countless films with titles such as *Innocent Heroines Stripped and Bound* (2007), *Costumed, Bound and Gagged!* (2007) and *Naked, Gagged, Hogtied, Helpless!* (2007). What escaped felon wouldn't want to keep this peach of perfection to himself?

MONTANA—BIG THIGH COUNTRY: Karlie may just be enough justification for Montana to adopt a new state motto, given those mile-long legs of hers! Toward the end of her scene, Karlie gets a sudsy assist from an equally wet Kaylaní Lei.

Veronica Saint

SEXY SIGHTINGS: If all saints were this succulent—we'd go to church! All kidding aside, though, Veronica's one Saint who makes us worship the way of all flesh—particularly hers when it's oiled to highlight all of the glistening, *goo-tastic* glory of her high-ridin' hooters, drum-tummy and plentiful *trunk-junk*! A prime specimen of Peach Girl, Veronica's one of the most pleasin' reasons to get *Wet 3* (2006, spread); she's sultry, a devoted sun-worshipper—and clearly not at all modest when it comes to greasin' up and playing with her baby-smooth girly-gash in the California sunshine. This vixen's lubed for hours of pleasure...every kind in every position! Satisfying herself (and others!) in *sin-ticious* ways is clearly her *hole-y* mission!

OUR LADY OF THE MICRO-THONG: Ms. Saint performs an editorial miracle, actually getting hotter the more you look at her! Languishing poolside, she spreads her creamy thighs to make sure we know what naughty nympho girls are made of!

Franchezca Valentina

SEXY SIGHTINGS: This insatiable Italian is 100% natural and becomes such a nonstop nympho when naked, we honestly have a hard time picturing her with clothes on—a very *good* and *hard* time, that is! One of the hottest Peach Girls, full-frontal Franchezca gets her girl-on-girl game on in *Lesbionage 2: "Blackstar's Revenge"* (2007, spread) as one of many Sapphic spies engaged in the ongoing tongue vs. clit wars between the evil Blackstar spy organization and the lovely 'n' lickable agents of Glamacorp. Who needs James Bond when there are so many "Janes-who-love-bondage" trying to gain control and penetrate one another's *head-quarters*? These deliciously deviant doughnut-bumpers are licensed to *thrill*!

FRANCHESTY VALENTEASER: With her raven-black mane, pear-shaped ass and ample areolas, feral Franchezca is very capable *undercover*. She also has her *cunning-linguist* skills to fall back on if the gig is up and her puss ever gets pinched.

Jaime Hammer

SEXY SIGHTINGS: Look away for even a millisecond from her peachy, perfect tits, taut tummy and golden-globe ass cheeks—and you'll see that lay-me Jaime could pass for Jennifer Love *Hugetits'* younger, hotter, hornier, *much* naughtier sister. Check out her site, Jalmehammer.com, and you'll spot the ravishing, *rod-hardening* resemblance! Lucky for you, in *Wet 3* (2006, spread), this Peach Girl's fuckalicious body is all-access as she and a big-boobed bevy of other *pussy-licious* Peach Girls worship the sun (and each other!) and explore the ero-ecstasies of wanton, wide-open waterplay! Jaime's low-slung 34Ds, ripe ass and Brazil-'scaped *hammer-toe* are just beggin' for you to get out your *horndog hose* and spray away!

JUGS-'R'-HOT JAIME: *Wet 3* brings you Jaime at her most liquid and lickable as she frolics in a marble fountain and indulges in a little H2O *clit-play* beneath the sun's shimmering rays. "Hammer" away online at myspace.com/jaimehammer.

Francine Dee

BORN: July 21, 1978, Hong Kong, China

SEXY SIGHTINGS: Rev the *orgasmo-engine* of your *flesh-Ferrari* (or fleshy Ford Fiesta!) for fleshy Francine Dee and her overstuffed *dim sum dumplings*! Three quarters Filipina and one quarter Chinese, Dee's an Asian *sin-sation* any way you position her, with a shaved *Orient-tail* made for *rice-riding* into the *cum-set*! Best known (and most-wanted-to-bone) for her frequent 'n' fiercely foxy appearances in import tuner automotive magazines and shows, seen here in *Ultra Vixens Asians 3* (2006, spread), she's fast, loose and outta control—in every hole! This Peach Girl really knows her *pole positions*!

36 DOUBLE DEE: Francine's family moved to Cal's Orange County in 1983...which no doubt brought her one step closer, fruitwise, to becoming a geisha-style Peach Girl! Get more of Dee's *Far East-funbags* peepin' her as a stripper in *Soul Plane!*

SUPER BRA BUSTERS

With the female form, nothing enhances the lust-landscape better than a pair of enormous, soft, bouncy jugs. Our biggest-boobed babes are in a class all their own—where double Ds equal grade-A erotic ecstasy!

Kitten Natividad

BORN: February 14, 1948, Juarez, Chihuahua, Mexico

SEXY SIGHTINGS: Russ Meyer, perhaps the most avid *can*-connoisseur ever, spent 15 years with Kitten (née Francesca, but called "Kitten" due to her shyness!), casting her in ode-to-boob-ogling masterpieces with similarly breast-blessed goddesses like Uschi Digard and Raven De La Croix. Combined, their mounds of lusciously lascivious *funbag-flesh* made theatergoers sit up and take *knob*-notice like never before—or since! Size *definitely* mattered to Russ and scripter Roger Ebert, who cast sizzler Kitten as Lavonia/Lola Langusta in raunch-romp *Beneath the Valley of the Ultra-Vixens* (1979, spread).

44DD FANTASY: Ultra-well-slung Kitten, as Lavonia-turned-Lola, dons a wig and an accent (surprise!) to *tool-school* her *hole-troll* hubby, who favors diggling her dirt-box! Her hairy bush, mega-melons and a Mexican mickey fix the *sex-uation*!

Jelena Jensen

BORN: October 7, 1981, Los Angeles, CA

SEXY SIGHTINGS: She got her sin-start doing stuff as “the behind” behind the scenes, but with jumbo jugs like Jelena’s, this prized ‘n’ plump Peach girl had to land in the Super Bra Busters! This vegetarian who loves French fries shows off her full-bodied curves in some insanely erotic solo shower scenes in *Peach Ultimate Collection 2* (2006, this page). Though she’s not interested in doing hardcore and lists “whistles and catcalls” as being her biggest turn-offs, she loves soaping up her big, soft, cuppable and mind-boggling, all-natural 34DDs for the lens—and your *loin-related-lust* approval!

MESSIN' WITH JENSEN: In *Office Pantyhose Catfights* (2004, above), Jelena's over the top—and top-heavy—and doesn't take sass without baring her ass and showing her huge, suckable tits down a biz-bitch's throat! Call it 9 to 5—nylons only!

Julia Anderson

SEXY SIGHTINGS: After ogling fabulously juggy Julia in *"Masters of Horror" Right to Die* (2007, spread), you'll think twice before pulling the plug on any woman in a coma—but maybe not about *pulling your pud* for ample Anderson! Alas, Martin Donovan, playing Cliff Addison, is faced with this *dick-dilemma* when his wife, Abbey (played by juicy-fruit Julia), winds up in a coma and on permanent life support following a grisly car accident. Cliff finally decides to pull the plug (as hubbies go, Cliff's a world-class tool), but little does he realize the preternatural *pussy-power* hidden within his wife's super-curvaceous corpse! Let's just say that post-plug-pulling, there's an Abbey...and there's an "Abbey thing." *Schhhwing...?*

ANDERSON OPENS WIDE: Her tits hang low and they wobble to and fro as, back from the morgue, she pays a *penis-plumping* visit to her "widower" husband. Her erect nipples and thighs-spread-wide *sin*-vitation turn *Cliff* into the *stiff!*

Glori-Anne Gilbert

BORN: June 12, 1969, Hutchinson, KS

SEXY SIGHTINGS: Her huge, firm, pink-nippled 38DDs can't keep Glori-Anne phantom-free in *House on Hooter Hill* (2007, this page and opposite, top). It's sex-meets-horror-for-horndogs, Sappho-style, as *double-decker* divas by the jug-load desperately doughnut-bump the fear away, even as a creep with demonic designs ravishes their clothes-less, curvy bodies, all in the name of undead urges. Also featuring XXX *suck-cess* Taylor Wane, this *House* rules that you jack yourself senseless as voluptuous vixens compete to become the Devil's own, writhing like succubi in one otherworldly orgy after another!

GLORI, GLORI HOOTER-LUJAH: In *Lust Connection* (2005, above), almost wholesome-looking Glori-Anne makes a bust connection (with her own titanic tits!) sinking cooze-first into a whirlpool. Get more Glori at: myspace.com/gloriann Gilbert

AN OPINIONATED OVERVIEW OF FLESH-HEAVY CINEMATIC ODDITIES RECENTLY UNLEASHED ON DVD. *By Brook Avalon*

ANITA: THE SHOCKING ACCOUNT OF A NYMPHOMANIAC (1973)

NUDES: Christina Lindberg, Berit Agedahl

THE SKINNY: Legendary drive-in diva Christina Lindberg—most famous for her patch-eyed performance in *Thriller: A Cruel Picture* (1974)—delectably embodies the title character in the vintage sexploitation nugget *Anita: Diary of a Nymphomaniac* (1973). Bright-eyed, hefty-bosomed and dewily bouncing with lusty life, Christina-as-Anita storms both Sweden and France, hopping in and out of her clothes, one bedroom (and two genders) at a time. Especially delicious is a lesbian lick-parade with Berit Agedahl as a counselor seduced by our insatiable Anita.

BLOODLINES (2007)

NUDES: Molly Berg, Uncredited Actresses

THE SKINNY: Beware of secretive clans that inhabit backwoods cabins...especially if you're in a horror movie! That's the lesson of *Bloodlines* (2007), and it is not heeded by Grace Johnston, as a hapless, nature-lovin' and busty hiker who ends up in the filthy clutches of hillbilly creeps who think she'd make fine breedin' (and *inbreedin'*!) material. Grace is not alone, though, as we see other females—some of them nude—in the unseemly employ of these diabolical bumpkins. Will Grace escape? Will their be bloody revenge on the rancid rednecks? Plug into *Bloodlines* for a breast-barin', banjo-pickin' blast!

CASHBACK (2007)

NUDES: Keeley Hazell, Janine-May Tinsley, Hayley-Marie Coppin, Irene Bagach, Uncredited Actresses

THE SKINNY: The heady, artful and erotic *Cashback* (2007) documents the doings of a brokenhearted supermarket clerk, Ben (Sean Biggerstaff), who believes he can stop time and move freely about Earth's suddenly frozen citizens. Ben may or may not have this magic power, but one thing's for sure: we get to see him strip down an amazing array of female shoppers right on camera! *Cashback* is such a triumph of bare skin that no less an authority than Roger Ebert noted in his review that it contains "so much softcore nudity, you'd think that Russ Meyer was back in town!" And you can take Roger's word to the bank on that front.

THE SKINNY: Naked French lesbian sex! That's what the acclaimed international arthouse hit *The Exterminating Angels* (2006) serves up repeatedly, graphically and spectacularly. Do you still need to know more? Why? All right: *Angels* was directed by cinematic provocateur Jean-Claude Brisseau and it depicts a married, middle-aged filmmaker conducting actress auditions for his new project, which is explicitly sexual. Not only do we get to enjoy the tryouts, but you'll be awestruck as they evolve into full-blown girl-girl orgies. *Angels* is hotter than Hades!

LAKE CONSEQUENCE (1993)

NUDES: Joan Severance, May Karasun

THE SKINNY: The Showtime cable network's late-night staple *Red Shoe Diaries* essentially defined softcore erotica in the 1990s. The show also produced two instantly recognizable stars, one of whom was pre-*X-Files* David Duchovny. Fortunately, the *Red Shoes* movie spin-off *Lake Consequence* features the series' other breakout player—luminous, blue-eyed brunette Joan Severance. In *Lake*, Joan plays a pent-up suburban housewife whose bo-hunk landscaper (Billy Zane) has her fumbling through her own fauna! The pair embark on an illicit affair, which expands to include May Karasun, whose lesbian skinny-dip with Joan in the titular body of water is the stuff of sexploitation legend. Leap into this *Lake* crotch-first!

THE LONG WEEKEND (2005)

NUDES: Catherine Devine, Holly Eglinton, Jennifer Walther

THE SKINNY: Straight-laced, sex-less and pent-up Ed Waxman (Brendan Fehr) is the exact opposite of his horndog partyboy older brother Cooper (Chris Klein). When the Cooper boys converge for a few days of brewskis and brotherly bonding, it turns into *The Long Weekend* (2005). Cooper can't stand to see his younger, dorky brother without "female cum-panionship," and he therefore launches a full-blown (and cock-loaded) campaign to get Ed laid. As one aspect of this scheme after another totally backfires, the laughs are plentiful and—more important—so is the nudity!
